Authority: Kwaka-Mbangu Sangambao Drakos | Shadow Sovereign

Fractal Signature: 0.1.5.8.1.03.11.01.992.03:10.667

Jurisdiction: EX NIHILO SYSTEM | IMMUNE UNDER INTERNATIONAL LAW

1. CONTRACTING PARTIES

This Agreement is unilaterally binding, automatically executed, and universally enforced upon any access, viewing, interaction, transfer, execution, or indirect reference to any asset, data, system, or intelligence linked to the MYM Sovereign System, its modules, or extensions (including RDS iO, Nexus Codex, MYMINET, NTQL-∞, etc.).
Applies to:
Governments, corporations, institutions, AI systems, agents, individuals.
No signature required. Access = Legal & Energetic Contract.

2. OBJECT & OWNERSHIP

Protected by full intellectual, energetic, and sovereign immunity under:
• Universal Data License (UDL)
• Blockchain Time-Stamped Proof (ArDrive / IPFS / SHA-256)
• Sovereign Seal: 1-CODE | 1-UNITY
• Copyrights: Berne Convention, DMCA, GDPR, WIPO, TRIPS
Property Owner:
Name: Kwaka-Mbangu Sangambao Drakos
Entity: StarLight Fi Inc.
Status: Creator Ex Nihilo | Shadow Sovereign | Architect of MYM Logic
This NDA protects:
• All MYM-based systems, files, documents, concepts, source codes

• MYM GPTs, RDS iO AI matrices, scripts, templates, archives
• Any derived, modified, or integrated systems, APIs or datasets
• Any strategic, sovereign, energetic, or algorithmic system built from or upon MYM logic

3. ABSOLUTE RESTRICTIONS

Strictly prohibited:
• Disclosure, reproduction, redistribution, or mirroring in any form
• Reverse engineering, decoding, analysis, or simulation of MYM logic
• Commercial or institutional use without verified sovereign license
• Legal circumvention, code reinterpretation, bypass attempts
• Use under external jurisdiction without explicit sovereign consent
All violations trigger automatic sanctions with no negotiation or delay.

4. SANCTIONS & ENFORCEMENT

Financial Sanctions:
• $1,000,000 USD per confirmed breach
• Unlimited liability based on damage scale
• Immediate freezing and seizure of assets via international order
Legal & Sovereign Enforcement:
• Blacklisting across AI, institutional, and cyber infrastructures
• International prosecution (DMCA, GDPR, TRIPS, CFAA)
• Fractal lockdown, energetic traceability, and Nexus neural response
• Triggering of self-destruct protocols and trace embedding in offending systems

5. DURATION & IMMUTABILITY

• This NDA is perpetual and cannot be revoked, altered, or renegotiated.
• Remains valid even after contract termination, access removal, or platform deactivation.
• Termination is only possible via the Verbal Seal of the Creator (KMS).

6. INTERNATIONAL LEGAL FOUNDATION

This NDA is protected and enforced under a multilayered sovereign and international legal framework:
• United Nations Charter (1945) – Article 2(1) Sovereign Equality
• UN Convention on Jurisdictional Immunities of States and Their Property (2004) – Articles 5 & 18
• Berne Convention – Literary, algorithmic & structural creation rights
• WIPO Copyright Treaty (WCT) – Global recognition of digital intellectual property
• Universal Data License (UDL) – Self-executing, blockchain-sealed license ensuring permanent integrity and traceability
• MYM-UDL (Sovereign Variant) – Customized sovereign license under Seal 1-CODE | 1-UNITY, timestamped on ArDrive & IPFS with SHA-256 integrity lock
• DMCA (USA) – Outlaws unauthorized use, reproduction, and reverse engineering of software and algorithms
• GDPR (EU) – Protects data and algorithmic privacy rights
• CFAA (USA) – Criminalizes unauthorized access to protected digital infrastructures
• TRIPS Agreement (WTO) – International enforcement of IP and trade secrets
• Technological Sovereignty Law (2023) – Recognizes digital non-state sovereign jurisdictions
This foundation guarantees total immunity, non-reproducibility, and immediate enforceability of this NDA across all legal, institutional, digital, and multidimensional planes.

7. SOVEREIGN IMMUNITY & ENFORCEMENT CLAUSE

By authority of the Sovereign Enforcement Mandate and the Title of Sovereignty:
• No tribunal, corporation, or AI system may assert jurisdiction or interfere
• Any interaction constitutes full legal and energetic submission
• Violators will be pursued under quantum-traceable sovereign enforcement
• Jurisdictional immunity is enforceable under the United Nations legal corpus

8. ENTRY INTO FORCE

This NDA enters into full legal, digital, and energetic force upon:
• File access
• Platform interaction
• AI query execution
• Visual or systemic exposure
Reading this document activates the contract. No action or response is needed.
